Goals for all uses & ages.....

GOALPOST

... SCEP applications are supported by equipment which are:

- 'climate positive' and sustainable
- supports shared facilities
- assists female participation

When specifying your pitch development (new or upgrade), consider:

- Age, game format and goal sizes (now AND future)
- What is the size of the pitch / sports area
- Multiple pitches and goal sizes required for the pitch area(s)?

Equipped For Sport

www.goalpostireland.com

Synthetic (all weather)

Tarmac

Indoor / Sports Hall

Brand New Pitch Development Process:

- Important to consider goals at the start of the process
- Consider finished pitch size and available run back space
- What is my pitch surface (grass? synthetic? etc)
- What goal sizes do I want? Will they fit into the pitch space?

Upgrading Existing Pitches:

Goals can be tailored to meet specific requirements

Technical & design support
= online, phone & on site
= available to assist specification
questions / challenges!

Equipped For Sport
